

# CLUB

Have you ever wondered about not brushing your teeth for a few days? How do you think you would feel? How about taking a bath, or washing your hair? We never have to think about these things because it is part of our daily routine. But there are many people in our community, about 116,000 in Montgomery and Greene Counties that do not have access to these hygiene items that we take for granted. These are people on food stamps who are not allowed to use these stamps to purchase tooth paste, soap, shampoo, etc. To help alleviate this problem we are asking you to make a pledge of \$25 per year. By joining the club, we can all be a part of the solution to help with the hygiene needs of our neighbors. We thank you for your help.
